The mission of Howard Area Community Center is to assist low-income individuals and families in the greater Rogers Park and adjacent communities to stabilize their lives and to develop the social skills necessary to become effective community members. We believe in nurturing potential and supporting all of our neighbors in need. Thank you for your support!

All donations are tax deductible to the full extent permitted by law. Howard Area Community Center is a qualified charitable organization under Section 501 c (3) of the Internal Revenue Code, EIN #36-3008606.

In 1967, Howard Area Community Center began as a volunteer-run outreach program of a Rogers Park church that provided emergency food, legal and educational services to the area's low-income immigrant population.

Today Howard Area Community Center provides an extensive scope of programs and services to Rogers Park and other underserved areas of Chicago.

Among these are health and human services, child care and home visiting services, youth programs, an alternative high school, an employment resource center for adults, and adult education and family

Each year, gifts from individuals and businesses are used to directly support our programs that help over 8,000 community members make positive changes in their lives. Programs include: Emergency Assistance Program, Food Pantry, Dental Clinic specializing in pediatrics and persons living with HIV/AIDS, Adult Education and Family Literacy programs, After School Reading programs, Job Placement and Employment Readiness programs, Early Childhood Education programs, and **so much more**.

We count on the generosity of our donors to ensure that we can continue a 46-year tradition of helping our neighbors in need. A tax-deductible gift helps ensure that HACCC's programs continue to be accessible to all who need them.

Here are some ways your gift will help:

- **\$5,000** will cover the cost of one full year of NAEYC-accredited childcare.
- **\$1,000** supports Family Literacy programs that honor parents as the first and best educators of their children and provides **Parent and Child Activity Time** opportunities that address multi-generational long-term literacy and improve the parent/child bond.
- **\$500** supports Adult Education and Employment Resource Center programs that help job seekers as they navigate through rigorous academic study and strengthen their workforce skills.
- **\$100** supports Family Cooking Classes that empowers parents through hands-on education and helps parents plan for and prepare healthy and delicious meals for their families.
- **\$50** covers the cost for one adult learner to take the GED exam or cover the costs for a job seeker to attend a day of training workshops to learn new workplace skills.

Of course, an unrestricted gift helps us provide help whenever and wherever it is needed.
